Two new books on miniature embroidery!

Antique Samplers in Miniature, by Margaret Morgan.

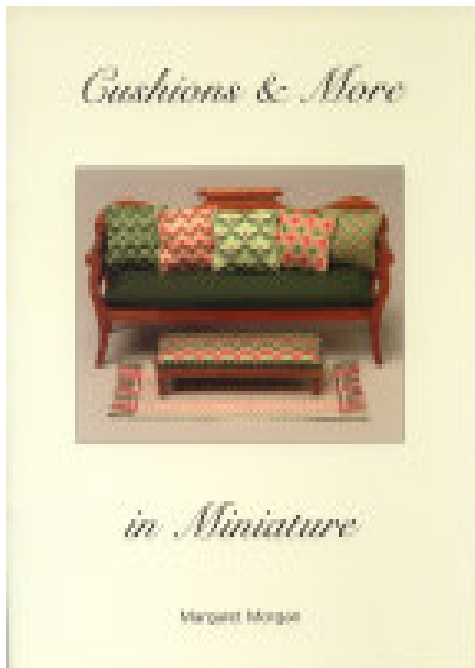

Six designs based on actual antique samplers. Suitable for 1:12 scale dolls' house, or for framing as an exquisite small sampler.

Cushions & More in Miniature, by Margaret Morgan.

Patterns for more than twenty miniature cushions, plus rugs, bedspread, picture and stool.

Although the designs in this book are intended for items in a 1:12 scale dolls house, they are also very suitable for other uses besides miniatures; e.g. pin cushions, scissor keeps, needle cases etc.
